"I sat with the owner of a Gymnastics Center who tried to do google adwords on his own. He was showing up on the 3rd and 4th page under sponsored links. **When I asked him if he would like to be on the 1st page of Google he said YES.** I told him we guaranteed it within 7 days and he bought a metro campaign for 3 months paid in full. He told me when it works he will renew for a whole year and refer me to all the businesses he knows. How easy was that. I love this stuff."
